

Vote NO on the Charter Amendment **Don't Let Lobbyists **PIG** Out at Our Expense!**

This amendment gives **ONE PERSON CONTROL** over the county's budget. That's a \$7 billion slush fund for political cronies, lobbyists and special interest contributors.

IT'S A DREAM COME TRUE FOR LOBBYISTS BUT A NIGHTMARE FOR US

It's no wonder the lobbyists and special interests are financing the campaign to pass the amendment.

If you have had enough of political insider deals and corruption in Miami —
