

Coral Gables Headed in the Right Direction

Marge Hartnett,
Life-long Coral Gables Resident

"As citizens of Coral Gables, we have to make a united stand against smear tactics and negative campaigns on April 12th. Brad Rosenblatt is the most qualified, most experienced, and most dedicated candidate for our city. I wholeheartedly endorse him for City Commissioner in Group 4 and ask that you do the same. Brad will make you proud that you did."

Marge Hartnett

"I support Brad because he understands the importance of historic preservation to our local economy. Please join me in voting for Brad Rosenblatt."
