SANABRIA
for Coral Gables City Commissioner, Group 4

April 8, 2011

Dear Neighbor,

Hi Michael,

Over the past couple of months, I have knocked on many doors and have had the good fortune to speak with thousands of residents in Coral Gables.

The overwhelming support I have received demonstrates our community's desire for experienced and qualified individuals that will help us deal with the challenges ahead.

As a skilled economist, successful entrepreneur and dedicated public servant, I am prepared to serve the residents of Coral Gables with integrity, experience and leadership.

Please see my "Ten Point Pledge to the City" on the reverse side.

I humbly ask for YOUR VOTE on Election Day, Tuesday, April 12th.

Sincerely,

Gonzalo Sanabria
